To Benefit Jodie Mainer

Jodie Mainer is the daughter of Don and Beverly Oberlies, long time Harrisburg residents. Once a healthy and active 42 year old woman, in July Jodie received the life altering diagnosis of stage 4 pancreatic and liver cancer. As a part of her treatment plan, Jodie is currently undergoing extensive chemo and radiation treatments each week.

Please join us in this charity golf tournament in support of our neighbors and, more specifically, Jodie in her fight against stage 4 pancreatic and liver cancer.

Thanks to the American Legion Post 523 of Harrisburg, sponsors and golfers for their support of this wonderful charity event.
Special thanks to Ross Fowler for his investment of time in this event.
